01 AIRNIMAL CHAMELEON FOLDING BIKE

£1,250 · Avon Valley Cyclery 01225 442 442
www.foldingbikes.co.uk

Whenever we've used a folding bike, it's taken a good 20 minutes to get the bloody thing reassembled. Still, commuters seem to like them, so we're probably just being stupid. Anyhoo, this model has a three-level fold, meaning you can choose how much to disassemble it. At best, you can squeeze it into a case measuring 58 x 58 x 29cm. Two feet good, two wheels better.
